Nandankaran Biological Park

1614. SHRIMATI KAMLA SINHA: SHRI' MOHAMMED AFZAL alias MEEM AFZAL:

Will the Minister of ENVIRONMENT AND FORESTS be pleased to state:

(a) whether it is a fact that Nandankaran, the country's only biological park located in a forest, is threatened by atmospheric and noise pollution due to the growth of the city of Bhubaneshwar towards the park; and

(b) if so, what steps Government intend to take to preserve the verdant surroundings of Nandankaran and what are the details thereof?

THE MINISTER OF STATE OF THE MINISTRY OF ENVIRONMENT AND FORESTS (SHRI KAMAL NATH): (a) and (b) No, Sir. The biological park is not under any recognisable threat due to atmospheric and noise pollution caused by the growth of Bhubaneshwar city. The biological park is adequately covered by vegetation and forest which acts as an effective buffer against atmospheric and noise pollution. Appropriate measures including patrolling have been taken by the authorities to ensure the protection of vegetative buffer.
